How to clean the filter on an oreck air purifier

Your shopping cart is empty. 2nd Best Vacuum Ever I purchased and received my re-conditioned (new to me) Kirby Diamond about 2 weeks ago and I couldn't be more pleased with my purchase. The title of Best Vacuum Ever still belongs to the Kirby Gen 3 I purchased new 30 years ago. It has seen the best of times and the worst of times and served me well. I have also owned 2 other vacuums in the interim, neither of which came close to the Kirby. I was so happy to find GreatVacs because the next best thing to buying a new Kirby, is buying a re-conditioned one with a whopping 5 year warranty. I hope I never need to get warranty service, but this is an unheard of deal in the industry. Neither of my other vacuums (except Kirby) lasted more than 1-2 years and they were both nightmares from the get go. I am finally happy again about the level of ease of use and the high level of clean I was used to getting with Kirby. I would never buy another brand of vacuum again! 30-Day- Risk-Free Trial You may return your purchase within 30 days of purchase.
